

UKMF Autumn Day

Accelerating Research: Better Trial Designs, Better Therapies

Wednesday 11th November 2020

VIRTUAL MEETING

Joint Chairs: Dr Rakesh Popat (*University College London Hospitals*) and
Dr Matthew Jenner (*University Hospital Southampton*)

09.00 *Welcome to the event platform, networking and meet the sponsors*

09.25 Welcome

Better Trials and Novel Endpoints

09.30 Novel trial designs

Dr Andrew Hall
University of Leeds

09.45 Use of MRD as an endpoint in trials

Dr Roger Owen
University of Leeds

10.00 Use of PET scans in clinical trials

Dr Simon Wan
University College London Hospitals

10.15 Incorporation of mass spectrometry into trials

Dr Hannah Giles
Haematology SpR
University Hospitals Birmingham

10.30 Incorporating genetics into clinical trials

Dr Martin Kaiser
The Royal Marsden

10.45 *Networking and meet the sponsors*

Michael Morley Lecture

11.00 Introduction

**Dr Rakesh Popat &
Dr Matthew Jenner**

Autologous stem cell transplantation in myeloma:
a journey from past to future

Professor Mohamad Mohty
Saint Antoine Research Centre, Paris

11.45 Q&A

12.00 **AGM**

12.15 *Networking and meet the speakers and sponsors*

Continued over page

Better Therapies

12.45 **Debate: The future of immunotherapies in myeloma**

Allogeneic stem cell transplant

CAR-T cells

Bispecific T cell engagers

Antibodies and ADC's

Virus and vaccines

NK cells

Case based panel debate

Professor Mark Cook

University Hospitals Birmingham

Dr Reuben Benjamin

King's College Hospital, London

Professor Gordon Cook

University of Leeds

Dr Rakesh Popat

University College London Hospitals

Dr Chris Parrish

Leeds Teaching Hospitals

Professor Michael O'Dwyer

National University of Ireland Galway

13.45 *Networking and meet the sponsors*

13.55 Introduction to new faculty members of the College of Myeloma (UK)

Key myeloma lessons in 10 minutes

Dr John Ashcroft

Pinderfields Hospital

Professor Kwee Yong

University College London

Professor Keith Stewart

*Princess Margaret Cancer Centre
Toronto*

Professor Steve Schey

London Bridge Hospital

14.30 *Summary and Close*

Registration for this event is free of charge for healthcare professionals

Online registration is now available at www.collaborativeconferences.co.uk

For enquiries, please contact Alex (alex@collaborativeconferences.co.uk)

The UK Myeloma Forum exists to improve the care of myeloma patients through education and the promotion of trials

Platinum Sponsors

Silver Sponsors

The sponsors have supported the meeting by purchasing virtual exhibition stand space and delegate places and have had no input into the programme, selection of speakers or topics
